Retractable 20 Feet RJ-11 Cord

The Targus Retractable 20 feet RJ-11 Telephone Cord eliminates the need for mobile professionals to carry a loose length of telephone cable with them to connect to telephone jacks while on the road. Designed to fit in your pocket, the Retractable RJ-11 Telephone Cord provides 20 feet of cable. With one touch of the release button, the cord automatically retracts conveniently with no manual winding mechanism.
