

Retractable Flat USB Cord

The first flat USB cable that fits in your pocket.

Model #PA220U

Key Features

- Automatic Spring Retractable Cord
- Small and convenient
- Provides 6.56 feet of Flat USB cord (Type A and B Connections)
- Includes (B to A) adapter in the package
- Reels back in seconds
- 1 year warranty

Retractable Flat USB Cord

The Targus Retractable Flat USB Cord eliminates the need for mobile professionals to carry a loose length of USB cable with them to connect to USB products while on the road.

Designed to fit in your pocket, the Spring

Retractable USB Cord

provides six feet of cable.

With one touch of the release

button, the cord automatically

retracts conveniently with no manual winding mechanism.

Now we can place this new flat designed US cable into a small and convenient case
