

NOTEBOOK NETWORK CARD

CONNECT YOUR LAPTOP TO A NETWORK OR BROADBAND MODEM

The Belkin Notebook Network Card for PC computers connects your laptop computer to a broadband Internet modem or lets you build a 10/100 Base-T Ethernet network. The Notebook Network Card complies with Ethernet IEEE 802.3 and 802.3u standards, and installs easily by simply sliding into any available Type II 16-bit PCMCIA or 32-bit CardBus slot. It lets you connect your PC to a cable or DSL modem, as well as share files and peripherals with computers that are connected to your network.

BENEFITS:

- Lets you share your Internet connection—perfect for multiplayer gaming, accessing streaming audio and video, and other high-end Internet functions
- Exchanges data quickly between connected PCs and notebooks, and lets you share printers and other peripherals, and communicate via e-mail
- Installs easily into any Type II 16-bit PCMCIA or 32-bit CardBus slot
- Credit-card size allows you to access the home network while staying mobile
- Single-chip set solution provides lowest power consumption
- Auto-detection feature offers future scalability of 10Base-T networks into 100Base-T networks
- Monitors network traffic and aids troubleshooting with LED indicators
- Features easy, Plug-and-Play compatibility
- Supports Windows® 3.1, 95, 98, Me, NT®, 2000, XP, Linux®, DOS, WfW 3.11, and Novell® NetWare®
- Comes with a Belkin Lifetime Warranty and free technical support

System Requirements:

- PC-compatible computer with one free Type II 16-bit PCMCIA slot
Windows 98, 2000, Me, or XP recommended

Part Number	Description	UPC
F5D5020	Notebook Network Card	7-22868-38380-3

NOTEBOOK NETWORK CARD

PRODUCT SPECIFICATIONS:

Host Interface

16-bit PCMCIA, 5.5V

Radio Specifications

Network Standards IEEE 802.3, 802.3U, Auto negotiation

Network Interface RJ-45 jack

Speed

	10Base-T	100Base-TX
Half Duplex	10Mbps	100Mbps
Full Duplex	20Mbps	200Mbps

LED Indicator

2 LEDs Link/Activity, Speed

Operating System Support

Windows 3.x, 95, 98, 98SE, NT 4.0, Me, 2000, XP

Environmental Specifications

	Temperature	Humidity
Operating	(0–50 degrees C)	Max. 95% (non-condensing)
Storage	(-25 - 70 degrees C)	Max. 95% (non-condensing)

Warranty

Lifetime

Technical Support

Free, 24-hour, 7 days per week

Package Contents

CardBus Network Card

Dongle

User Manual

Software CD
